COMPANY OVERVIEW

Blue Palms Development Group LLC is a veteran-owned small business based in Summerville, South Carolina. We pursue federal, state, and local government supply opportunities through strategic sourcing, distributor relationships, and supplier coordination. Our approach emphasizes solicitation compliance, competitive supplier quotations, and dependable fulfillment planning.

CORE FOCUS AREAS

- Government supply sourcing and procurement coordination
- Electrical, plumbing, HVAC, and industrial supply opportunities
- Office supplies, uniforms, workwear, and facilities-related products
- Distributor-direct fulfillment and qualified subcontractor coordination
- Bid research, solicitation review, and supplier quotation comparison

RELEVANT EXPERIENCE & APPROACH

Owner brings more than 15 years of electrical and facilities-related professional experience, military service, and project-management education. Blue Palms evaluates product specifications, delivery requirements, supplier capacity, and pricing before pursuing an award.

NAICS AREAS OF INTEREST

423610 – Electrical apparatus and equipment wholesalers | 423720 – Plumbing and heating equipment wholesalers
423730 – HVAC equipment wholesalers | 423840 – Industrial supplies wholesalers | 424120 – Stationery and office supplies wholesalers

CONTRACTING STATUS

SAM entity identifiers: UEI and CAGE listed above. Blue Palms is developing its government-contracting portfolio; no prior government contract awards or contract vehicles are claimed in this statement. SBA veteran-owned certification is not claimed.
